

Weeke's Got Talent - Christmas 2023

The school council were asked by their peers if they could organise a talent show here at Weeke and we made it happen! In the early rounds, we had every talent imaginable from gymnastics and magic to music and comedy (including recorder playing through nostrils)! In the end, the yellow team won the competition with a pianist and a comedian. We can now say for sure that **Weeke *has* Got Talent!**
