School Council Job Description

The job of a school council representative is to <u>listen</u> to ideas brought up in your class and decide with your classmates which <u>ideas</u> need to go to school council. The ideas make up the agenda of things to <u>talk to other children</u> about at meetings. You must remember to let your classmates know what you have talked about and ask them to get involved in <u>finding solutions</u>. You will be responsible for <u>representing the school</u> at events and assemblies as well as <u>talking</u> <u>to visitors</u> to the school. You will wear a 'School Council' badge.

> Here are some of the activities that the school Council have taken part in:

We worked with HC3S (The company who makes our school dinners) and talked to them about what food we liked and which we weren't so keen on...

> We raised money for Children in Need by organising a spotty charity day! We made posters to advertise the event.

HC3S used this information to help them review and plan their menus. A A
