

School Council - Kitchen Menu Consultation

The kitchen are changing their menu in April so they asked the school council for their support. After feeding back their views on the favourite and least favourite options from the current menu, the councillors were given some samples from the new menu. The children tried everything and then told Jo (in charge of the kitchen) what they thought. As a result of the consultation, we will be adding a delicious vegetarian sausage roll, a new creamy chicken curry and a chocolate, banana sponge to the menu. Because it is a firm favourite with the children, we will also be getting bigger pizza slices in this menu (and maybe adding a meat pizza option in the future). The children also fed back that the new cheese, potato and red onion pastry needed more cheese!
