Dear Parents/Carers,

The SORA digital reading app by OverDrive enables your child to access an electronic library which is curated by Hampshire School Library Service. It gives free access to over two thousand books, comics, magazines and audiobooks, and there are a wide range of categories to explore. It operates like a physical library so your child will be able to borrow **two items** as well as participate in reading challenges and monitor their reading time. In settings, it is possible to set dyslexic friendly fonts and translate the app into a range of languages.

We will introduce SORA to the children during World Book Day and anticipate that it is a resource that they will enjoy using out of school as well as within. If you have any issues, please email me via the office. Meanwhile, I hope you enjoy exploring the app with your child/ren.
